“ What can you say about someone as special as Roy??
EVERYTHING!!!! Roy....you are and always will be an amazing person. Roy was always there for you when you needed him. He stuck by you through the thick and thin. He will always be our family....my Best Friend.....and like a brother to me. Amber and I miss you so much it hurts. We will all be reunited again when the time is right. I will keep my word to you my friend and do what I can to help your mother who is also a beautiful person just like you. You have always been there for us, and you will never ever be forgotten. Our prayers go out to Roy's family. I can at least be at comfort knowing that you are here with us all, watching over us. Like your childhood friend said....."This is not goodbye"....We love you my brother, and you will always be in our hearts. IT's NEVER GOODBYE!!!! For us it's.....See ya soon. Touch a star for us K?

“ My prayers go out to Roy's family in this time of need. Roy was a amazing humane being he never asked for much out of life just to have a little store to call his own. He was there when you needed him no matter what he never judged or looked down at choices you made in your life he listened and gave advice if needed. He loved his family and friends. Roy and I were best friends we came into this world a day apart and became one. You will be missed you will always be looking down on me I know this. My friend I love you and you will always be close in my heart. Its not goodbye but see you up there

Thank you Becky. You were more of a sister than a friend.
