“ Sam will be missed. We are going to focus on the time we knew him best...playing football in High School. What a ride! He was a huge part of the success for all of those boys. Sam, love you. See you again on the other side.

“ There is allot I don't understand in this life any more! Why do we have so much tragedy in this world . I have known the Harvill family and Samuel for many years and watched Samuel grow up from a kid to a polite and a very respectful young man. We ask God why because we don't understand how this could happen! Bill and Kristy we can't imagine what you are going through, but I know God is with you and you have many friends that are praying for you and will help you get through this. There is no words that can describe this tragedy but I know that you loved him so much and he loved you both so very much. That is the memory you need to keep of Samuel Del

“ Don and I met Sam and his dad this past spring when they came to our house to talk about steroids. He was such a polite and God Loving man with a gentle spirit. We gave him one of our ALL ME Shirts and he proudly posted pics on his Facebook page. When we read about his death this morning it broke out hearts. We lost our 17 year Taylor Hooton to suicide and just reading all the posts brought up so many memories. Our hearts go out to his parents. fiance and friends. The pain of losing a man like him is deep. He is now resting in the arms of Jesus and is free of any pain.

Miss you Sam
