*I worked with Shelby at Diamond schools. We worked side by side everyday in her classroom. We became very good friends. I am so sorry to hear of her passing. I was unaware she had been sick as we had lost touch over the years. The both of us was single parents & i know she was a great mother. She will always be watching over her son. My heart goes out to all of you. May God be with you & help you in your time of grief.*

Steve, Sandra, Shane, and family: Our thoughts and prayers are with you all during this most difficult time. We are very sorry to hear of Shelby's passing but rejoice in knowing she is in heaven. She will always be with you and now gets to help watch over you. May God give you the strength to withstand your grief and may He heal your hearts a little more each day. Unfortunately I was unable to attend visitation and/or the funeral service and I am sorry for that. Thank you for allowing me to share in this online tribute to help honor Shelby's life.
