“ *Simone and I hang out during the Silver Dollar City days. We had some great times together. Just finding out about her passing, has really shocked me. We hadn't chatted in a while, so when I got a Facebook notice about her birthday, I was going to send her a message, only then I saw the post of her death. Prayers of comfort and peace to her family. She was a lovely person.*

“ I have so many memories of Simone from when we would come visit the farm. So many that it would be impossible to share here. But please know that all of you are in my thoughts and prayers during this sad time, and Simone has definitely been on my mind. Hugs to all of you, I will see you soon. Holly

“ Oh my darling Simone! Where do I even begin. It's been a blessing knowing you and getting the honor of being your cousin 😊 You always had a smile on chatting about the kids and we had the best talks. You will forever be in my ❤️ heart. Family- sending all the love and hugs and positive vibes and prayer I possibly can in your direction. I know there's nothing anyone can do or say to make this any easier but me and my family are here to lean on or here for a listening ear or a prayer whatever we can offer. Love you all so much.
