“ Growing up next to Stan I have so many great memories of time spent on the Kahre's back porch with Stan, Bill, Agnes, and my brother. He had the cleanest John Deere mower in history and I never will forget the day he mowed over his favorite hat. Stan was a kind, gentle man who would have done anything for anybody. Stan: till I see you again, which I know I will, thanks for being such a great neighbor and friend. May your trees be squirrel-free, lawn continue to be the envy of the neighborhood, and under the basket go-to horse shot more reliable than a Kareem Abdul Jabaar sky-hook.
