“ *We have lived across from the Nelsons for 10 years. Teresa was one of the kindest woman I have had the honor to know. The love she had for the men in her life was unlimited. They were her world. I will miss our daily morning waves, and listening to her brag on her boys. One proud momma. We will miss you Teresa and do not worry, we will make sure to help your loved ones as much as we can. RIP until we all meet again* 💜

“ Teresa was my sister-in-law. Even after my husband and I divorced, Teresa stayed in touch with me. We never hung up without letting each other no we loved each other. She was a very loving mother and wife and her family was the most important thing. She will be truly missed as well as her phone calls.
