“ *Aunt Thelma was always exceptionally friendly to me. I remember my dad, Fred, would have Thelma make me a lasagna for my birthday because it was my favorite dish. Thelma always greeted with a smile, shared a laugh or two, and was a gracious host. She will be greatly missed.*

“ *Thelma was my uncle Dave's second wife. I never got to meet her as I live in Va. But we have exchanged Christmas cards for the last 20 years and she always wrote me a very special note each time. With the passing of my aunt dorothy also this week been very sad time. She must been a very special lady, I'll miss our Christmas messages to each other this year and forever.*

Thelma was my wonderful friend and neighbor for the past 9years, there wasn't too many days that went by that we didn't visit each other, We spent hours setting out on her deck or in our yards watching the humming birds and talking, we use to always say that we could solve all the world's problems, lol! I will miss her so much! Every time I walk out my front door or see the deer or humming birds I will think of her, so many wonderful memories, I loved this beautiful strong independent woman with heart of gold, who taught me so much, RIP my beautiful friend, keeping all of you in my thoughts&prayers,
