“ Mr. Hughes had a tremendous impact on our family, as a fellow teacher and a teacher to our daughter Hollyanne, who absolutely loved the broadcasting class that he initiated in the Belton School District. He had an affinity for students, and was always helpful with those that were involved in Special Olympics. He was an impactful teacher, kind, caring, but also expected only your best. God has a wonderful Angel joining his ranks.
God Bless to the Hughes family with comfort, peace and sympathy.

“ Timmy was my cousin and we saw each other every two years when dad would bring us out to visit his brother. Timmy was a great playmate, with no real faults that I can remember and his mom was quite a fine woman, a big factor in how Timmy turned out (Sorry, I only knew him as Timmy). We were the same age, so I guess that helped us get along, but I can see from his accomplishments that he really did have a fine personality. This world will surely miss him!

“ By far my favorite teacher at BHS when I attended there! Always is a good mood, he would never let you down! I remember one thing especially about him the first thing he would always ask our class was “did you have any dreams last night” and if you did he would tell you what they meant! I love his upbeat personality and how he treated every student as equal and respect. He will be greatly missed!

“ Mr. Hughes impacted my life at school so much, especially on my bad days. He was one of the best teachers I've had and he was only a substitute. Thank you for sharing your knowledge and making learning fun. You will be missed.

“ Mr. Hughes was like a 2nd father to me. So many fond memories of him and his brilliantly sarcastic wit. One of the funniest men, and kindest hearts I have ever known. Hang in there Stephen!

“ I'd like to share a huge thank you to Mr. Hughes for teaching me to be more confident in myself and learning to face my fear of stage fright when reading a speech. May you rest in peace and I'll be praying for your loved ones.

“ I was a student of Mr. Hughes 2000-2003. He encouraged me to push the boundaries in my divisions - Humorous Interpretation - to which I learned to excel, much to his credit.

I may have been a hard to handle personality at times, but I always liked Mr. Hughes.

20 years later his coaching and teaching still has a positive impact.

I'm sorry for your loss, Mrs. Hughes - and to all who knew and loved him.
