“ *Tory was a fine young man. I am elderly and often need help. Michelle man treated me with the utmost respect and worked very hard for me with anything that I ask him to do And More.! With that said often came over to visit me just to say hello and put his arms around me. I would've been proud to call my son. He must've been raised with very fine values. His family brother and wife must be very proud of him. I am so sorry that God had somewhere or something for him to do so early. God bless his soul. I loved him dearly.*

Respectfully, Patrick Kreutzer

PS you're a good man Tory! I will see you when God calls me to go home
