“ *We have nice memories visiting and spending time with Will, and with Lois, in Hawaii, over the years. Always enjoyed talking Hawaiian music with him and socializing in the Land of Aloha.*

“ *Will was my boss in Fresno many years ago. He was a great boss and became a friend later on. He was a real prankster and loved to play jokes at my expense. I always swore I would get even with you, Will. but sadly never got around to paying you back. We reconnected several years back. I was so sad and shocked when I heard of your passing. You will be greatly missed Will Poole, I will never forget you. Rest in Peace Will.*  
*Hugs and prayers to Lois and your family.*

“ Will was my boss in Fresno, Ca way back in the 80's, he became a friend. He was a great boss, I loved working for him, one of the best jobs I ever had. He was also a real prankster and loved to play jokes at my expense. I always swore I would get even for the pranks you played on me. We reconnected several years ago and would text from time to time. I was so sad and shocked to learn of his passing. Rest in Peace Will. I will never forget you. Prayers and hugs to Lois and the family.
