“ *Bill was like a big brother to me when I was growing up. His father, Henry, and my Uncle Roy had a milk route with MFA for awhile. Bill and I hauled milk together before I was old enough to have a drivers license. We bucked cans of milk from Stotts City to close to Carthage, MO. and hauled them to Monett. We always stopped in Pierce City and got Malts or Shakes at the little drive in on the east edge of town . We always got extra chocolate in our shakes, always. He taught me how to shoot a rifle and ended up giving my first 22 rifle. I've always always thought of him as closer kin than he actually was. I will miss him so much even though I saw him infrequently in later years. He will live on in my memory. Dennis Lewis*
