“ I will never forget how much you both helped me out when James left me and the boys. You help turn my house into the home the boys and I needed. My prayers are with your whole family--if there is anything I can do please let me know--that's what family is for.

“ I have good childhood memories from school at St. Mary's where Doug was a class ahead of me, but in the same room every other year. I think it was my first day of school that the Sister asked Doug to stand up and sing a song. He did and the class stood and sat on cue as Doug sang the words: "get up girls, get up boys, get up girls and boys". Unforgettable for this hillbilly kid! Rest in peace Doug.
